Kristina Gomez**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
Washington, DC 20231

Dear Sir:

In response to the Restriction Requirement dated May 3, 2002, Applicants hereby elect, with traverse, Group I (claims 1-33) to prosecute in the above-identified patent application.

Applicants respectfully traverse the Restriction Requirement because the claims of Group I and Group II are sufficiently related to one another such that it would be not only more efficient but also more cost effective to prosecute all claims in a single application. Still further, examining all claims in a single application would not be an undue burden on the Examiner.

If any fees are due in connection with the filing this Response to Restriction Requirement, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. SDK1P003).

Respectfully submitted,
